

Your final report

Why is my report important?

The Professional Gardeners' Trust (PGT) relies on donations, largely from charitable funds, to be able to help gardeners with their studies. Your report allows us to show those donors that their money is being put to good use, and hopefully will help gardeners like you in the future.

Sharing good news..

- The PGT relies on word of mouth and social media to contact gardeners - your story will be a big help with that.
- Many of our gardeners also find the report summarises their course and gives them something to put on their CV or their own social media.

Help with writing the report

Tips:

- Keep it short! 200-250 words is ideal.
- A picture is really important - ideally a selfie of you on the course. It doesn't have to be perfect!
- A word document is best, or PDF
- Email to reportsmanager.pgtrust@gmail.com

What should I say?

- ✓ Your name, and the course name and provider
- ✓ The fund who provided the money and how much (find this on your PGT acceptance email or ask us)
- ✓ Some examples of what you learned on the course
 - Perhaps a skill you improved?
 - Something that impressed you?
- ✓ What impact you hope it will have on your work/career
 - Will you be able to bring new skills to your current job?
 - Perhaps you might now consider promotion? Or a career move?
